Collection

Nuestra colección Salem está basada en la piedra Mallorca, conocida como "El Marés", de las Islas Baleares. Es una arenisca compuesta de fragmentos acumulados en su superficie que la dotan de una estructura y aspecto granular arenoso. Nuestra elección de tonos, Clar y Dune, abarca todo su color original, manteniendo la pureza de la piedra, apta para proyectos de gran diversidad gracias a sus tonos cálidos y fondo suave.

Our Salem collection is based on the Mallorca stone, known as "El Marés", from the Balearic Islands. It is a sandstone composed of fragments accumulated on its surface that give it a sandy granular structure and appearance. Our choice of tones, Clar and Dune, covers all its original colour, maintaining the purity of the stone, suitable for projects of great diversity thanks to its warm tones and soft background.
