Colección  
Collection

La colección Stromboli está inspirada en la piedra caliza. Su fondo regular se combina con incrustaciones de piedras más pequeñas agrupadas en mayores o menores conjuntos, simulando un flujo visual que agrega movimiento a la composición. Stromboli se presenta en tres tonos: Light, Cream y Silver. Una perfecta gama armoniosa que fusiona la sobriedad de la piedra caliza con la vitalidad que aportan las incrustaciones, logrando un resultado estéticamente cautivador.

The Stromboli collection is inspired by limestone. Its regular background is combined with inlays of smaller stones grouped in larger or smaller clusters, simulating a visual flow that adds movement to the composition. Stromboli comes in three shades: Light, Cream and Silver. A perfect harmonious range that fuses the sobriety of the limestone with the vitality provided by the inlays, achieving an aesthetically captivating result.
